

The online KCS Business Directory has been created as a courtesy to our school families. Its purpose is strictly a sharing of information and does not represent endorsement of any of these companies by KCS.

To be eligible for the listing, your children must be enrolled in the current school year; all payments must be up to date; businesses must be owned by a school family, and must not be in conflict with the values of the school.

Businesses listed in the directory are not required to offer KCS families discounts on services; however, if the business chooses to do so, the discount information is included.

If you would like your business to be included in this listing, please complete the information below and submit it to either the elementary or secondary campus offices.

If you are currently listed from the previous year, please complete this form and re-submit to ensure the directory is accurate and up to date.
