## A Survey To Help Us Plan Well For Our Families

Dear KCS families:

Some of you may be feeling unsettled about the prospect of your children learning off-site over the next few months. Our goal is not to replicate regular classroom instruction through an online platform; rather, we aim to provide off-site learning that is consistent with our vision and mission, learning that focuses on the essentials but allows for students to expand their learning. Our main pillars will be literacy, numeracy, discipleship, inquiry, community, and student choice/enrichment.

Each families' readiness and capacity to respond to off-site learning is different. Therefore, we have created this Family Survey to assist us as we develop our Continuity of Learning Plan. The survey will take 2 - 5 minutes to complete, and it will provide us with vital information about how we can best serve your family. To assist us with our planning timeline, complete this survey no later than Wednesday, April 1.

[Complete the survey by clicking this link.](#)

Thank you,

Mike Campbell  
Head of School
