ATMOSPHERE + LIFESTYLE

Do any members of your household smoke?

YES NO

If so, where do they smoke? _____

Which meals, if any, does your family eat together, seated at a table?

What types of activities does your family normally do together?

Your homestay student will follow the same rules as your child or youth family members. **Help us understand your household rules in regards to:**

Using the telephone:

Watching TV:

Using the Internet:

Your homestay student will contribute to the household chores in the same way your child or youth family members do. **Please describe the chores and responsibilities your homestay student will have.**

Your homestay student will expect the same homework support as your child or youth family members. **Help us understand what, if any, homework support you are willing to give.**

Please describe the general family schedule, specifically if anyone is home during the day and who will be home when the student gets home from school. Also, are adult family members around in the evenings and on weekends?

CULTURAL + INTERNATIONAL EXPERIENCE

Briefly describe your exposure to other cultures. You might have learned about other cultures through family members, travelling, friends, etc.

If you have ever had an international student stay in your home, what nationality and age was the student? How long and when did he/she stay? How was the experience?

Why are you interested in hosting an international student?

CONFIRMING SIGNATURE

*****Please include photos (jpegs) of the following.** These pictures will be shared with students who have been assigned to you.
