EXPECTATIONS FOR PARENTS

As a parent, I acknowledge the commitment my son/daughter makes to be a member of a team. I realize that he/she needs to adhere to the values, goals and policy of the school, team and coach. As a role model for my son/daughter, I agree to conduct myself in a manner that will allow the values of the school, team and coach to be achieved. Therefore, it is my responsibility to:

- Encourage my child to participate, work hard and listen to coaches.
- Praise my child for competing fairly and trying hard, regardless of the outcome of games.
- Reinforce for my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
- Respect the authority of the coach during games and refrain from questioning, challenging or confronting coaches at the game site (as outlined in Parent Communication with Coaches section of the KCS Athletics Handbook).
- Model good sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators.
- Unacceptable behaviors are:
 - Booing, taunting or using profane language or gestures.
 - Yelling in a negative way at players, coaches or officials during games.
 - Yelling instructions to my child during a game.
 - Chasing coach down in the parking lot to discuss game.
 - Publicly criticize players, coaches, officials, volunteers or other parents.
- Learn the rules of the game and the policies of the league.
- Inform the coach of any physical disability, injury or ailment that may affect the safety of my child or the safety of others.
- Attempt to schedule other activities (appointments, etc.) around the team schedule.

The following issues are sensitive and should not be discussed in a negative or counterproductive manner among parents:

- Coaching strategies, tactics and styles
- Individual play of any players
- Playing time, player positions

For parents, it is important to separate their child's sports development from game emotions. For this reason, many leagues and coaches have adopted the "48 Hour Rule".

48 HOUR RULE

The 48 Hour Rule simply states that coaches will not discuss a game or situation until at least 48 hours after the fact. This important rule does two things. First, it moves the discussion away from the presence of the players. Second, it allows all parties to have time to put things in perspective and "cool off", if necessary. Parents that engage in behaviors that violate these expectations may be subject to sanctions or removal from competitions associated with a team.
